RE: *Coyne for Congress - FEC I.D. #C00119701*
October 15, 2002 Quarterly Report and Pre-General Election Report 2002

Dear Ms. Kelly:

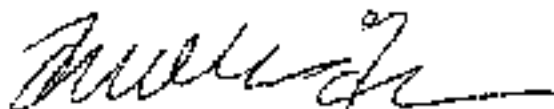

The October 15, 2002 report was electronically filed yesterday morning. Due to inadvertence when we downloaded the deadlines for filings, we downloaded the list for monthly filers. Therefore we mistakenly believed the report was due October 20, 2002. Upon receiving the email on Wednesday, October 16, 2002 from the Commission requesting the report, I attempted to send the report, but encountered difficulties in doing so. The individual who normally sends the report electronically was ill and not available to assist me. She returned to the office yesterday and the report was sent yesterday morning.

Under these circumstances and in view of the Committee's long history of timely filings, I would ask the report to be considered to be timely filed.

Congressman Coyne is not a candidate for re-election in 2002. The Committee has not made general election contributions or expenditures upon behalf of federal candidates between October 1, 2002 and October 16, 2002. Therefore we will not be filing a Pre-General Election Report for 2002.

Thank you for your attention to this matter.

Sincerely,

Frederick N. Frank, Treasurer

FNF
